Sense & Nonsense

College life has been described in many ways,
both positive and negative.
This book is our attempt to detail life
in this crazy roller-coaster that we call home,
Salem College.

If you don't understand something, relax, it probably
wasn't supposed to make *sense* in the first place.
This is true in both the real world and in this book.
And, just as a hint, for a good portion of the time,
we'll be going in reverse.

So Hang On!

Dedication of the 1995-96 Sights & Insights

Think of the things that you'll remember most about Salem - - the things that, when you notice them elsewhere, instantly make you think of time spent here. Now, try to imagine Salem without those things. It's pretty hard to do.

Sometimes, it's the simplest things that we'll remember most vividly - - the ones that go unnoticed, that we take for granted, because they're always here, unchanging; Or maybe they do change, but we don't notice because we're also changing. In a sense, though, we can always count on them to be here, to make us feel at home. From our first Opening Convocation to our final walk through the May Dell for graduation, we are surrounded by beauty. It's the same thing that draws all those tourists here - - although maybe they don't love it quite as much as we do. Even as the faces change, we still feel at home here because of the beauty around us.

And just as we don't always notice a new flowerbed or freshly cut grass, we also don't always notice the people who take care of them. The ones who sometimes wake us up "early" on the days we don't have class with the sound of the lawnmower, but who also salt the steps and sidewalks in front of our dorms so we can make it through the ice and snow to the refectory during Jan Term.

The ones who work late, even on weekends, to keep our campus looking beautiful; who have even stayed overnight when it snowed to make sure we could walk, even if we couldn't move our cars; who plant flowers we've never heard of as well as the pansies we all love; who always stop pulling weeds or blowing leaves and make sure we've got enough room to walk on the sidewalk; and, most of all, who always have a friendly smile and a "Hello" for us when we see them.

- It is because of these things, and many others, that we wish to dedicate the 1995-96 edition of the Sights & Insights to the Grounds Crew

Roots & Wings

Commencement is defined in the dictionary in two different ways. One is *a ceremony at which degrees or diplomas are awarded at a school.* The second meaning is *a beginning; a start.* Both of these are good descriptions of what took place May 25 in the May Dell. Not only did students receive the diplomas which they had worked so hard to achieve, but they also were given an invitation to go out and further their achievements. Root *and* Wings.

Actress and alumna, Celia Weston, C'70, spoke to the seniors about her time at Salem and how it had prepared her and supported her for the present. She stressed the importance of kindness, manners, and friends.

After the conferring of their degrees, seniors threw daisy bouquets in the air and popped open champagne bottles to share with friends.

Above, The May Dell was crowded with family and friends of the graduates.

One Last time . . .

The Dinner-Dance held the night before graduation was, for many, one last chance for friends to get together without (too much) stress. The Classic Touch Orchestra serenaded the students, their families and the faculty members, while they ate in Bryant Hall.

BACCALAUREATE

No, no -- We are not describing the revelry that occurs graduation day led by Bacchas, the Greek god of wine and fun. We're talking about the religious service that is held the day *before* graduation - Baccalaureate.

Students and faculty read passages from the Bible and Dean Eileen Wilson-Oyelaran urged the seniors to use their "talents" to make improvements in our own lives and those of others. After the ceremony was the President's reception which was held indoors in Main Hall due to the threat of rain.

Other events for the week included the "only Lovefeast in the United States for a graduating class," (according to Chaplain Atwood) which was held in a small chapel of the Home Moravian Church on Thursday for seniors only. Seniors had voted on faculty and staff members to serve them at the Lovefeast.

test trauma OR exam ease?

More often than not, when mentioning Salem's Honor System and our exam periods to students from other schools, they sigh, look wistful and then say "I wish we had that."

But, we *are* able to take our exams whenever we feel most capable. For some students one day is enough, with the words *I just want to get out of here* coming from their mouths as they race out the door for their third "walk" of the day. For other students, the more time the better. They think that a better score can be made with a little hard work, or just don't have much excitement to look forward to at home.

The one thing that our honor system depends on is (duh) honor! Not to lie, cheat, or steal is something we all agreed to do as Freshmen, and it is imperative that we fulfill our agreement.

Luckily, this is not difficult. For freshmen, it is kind of exhilarating to be trusted so fully. For upperclassmen it is just one more reason to love Salem.

Honorable Intentions

At this year's Honors Convocation, speakers, faculty and seniors all proceeded into the Hanes Auditorium as for any other convocation. With a second look, however, one could see that something was definitely out of the ordinary. In place of her cap, each senior was wearing a silly hat. Variety ran from straw hats, baseball hats, and stocking caps to a hat made out of real grapes on the vine (and, Yes, they tasted very good, Thanks for asking).

In addition to odd hats, the Honors Convocation was eventful in award recognitions for almost every scholastic department.

Top, Receiving the President's Prize for Psychology, Faithe Hart shakes hands and accepts congratulations from Dean Wilson-Oyelaran.

Life is a BANQUET!

The leadership awards banquet and the sports banquet are just two ways that Salem chooses to honor her students. Each banquet represents the goals that can be attained through hard work and perseverence: including the respect of your peers and of yourself.

The Leadership Awards Banquet was held April 24 in the refectory with the speaker, Martha Wood, Mayor of Winston-Salem. Ms. Wood drew parallels between the life of a leader today and Jesus Christ. Awards given to the students were based on individual society membership guidelines and committee decisions.

The Athletic Banquet was held on the last day of classes in Bryant Hall. The athletes were chosen for the awards by the other members of their teams and also by all student athletes. The teams were each given big cookies decorated with a scene depicting their sport.

Getting up when most of our campus was still fast asleep, the seniors began Founders' Day events by following the Moravian Band to God's Acre and leaving flowers on the grave of Elisabeth Oesterlein. After visiting our founder's grave, the seniors were treated to an early morning breakfast.

This was only the beginning of the Founders' Day events. Also that morning, seniors planted their class tree behind Gramley Dorm. In the afternoon, they processed to the May Dell, accompanied by the Board of Trustees, faculty, junior marshals, and their sister class, the sophomores. The speaker, Dr. Richard L. Morrill, President of Salem 1979-1982, urged us to remember our time at Salem and told us of his kidnapping by the Scorpions. The Chorale sang, and senior president Pam Butts presented the class gift, the restoration of the George Washington spring house in the May Dell. Afterwards, Board of Trustees chair Velva Woollen presented Mr. Winfield Blackwell with the John Amos Comenius award for outstanding support and service to the Salem community; and Dean Wilson-Oyelaran presented Kris Porazzi with the Elisabeth Oesterlein award for her scholarship, leadership, and service to Salem. Convocation was followed by the traditional picnic dinner on the Lower Pleasure Grounds.

It was a great day to remember the wonderful accomplishments of our founding sisters, and to celebrate our own accomplishments.

Remembering our ROOTS

SENIORS ARE *Going Places*

Sophomore-Senior is one of Salem's greatest traditions. This year the sophomore class gave the seniors a night to remember.

The theme was Dr. Seuss's Oh, The Places You'll Go. During the dinner, the sophomores put on skits re-living their sister class's most embarrassing moments, ranging from parking lot follies to strip joint pranks. The Sophomore-Senior video was a new addition to the banquet; it included portraits from freshman year and candid photos from all years.

Following the banquet, students dried their tears and headed to Ziggy's for a mixer / crush party, with the band "Last One Standing". KAs from State and Wake Forest were invited as well as DKEs from Wake.

With the coming of spring comes a rebirth of the mind. The air refreshes and almost demands that you get out and do something creative. Hence, April Arts, the Senior Art Exhibits, and many other creative works happen in the spring.

The April Arts Committee sponsored a poetry reading in the Grille, and a *How To Refinish Frames* seminar. The Senior Art Exhibit included pieces from the visual arts and interior design majors. Seniors worked long hours to complete pieces for their personal portfolio.

Dansalems danced for their yearly performance on April 18. Most dances were choreographed by the students, and included both modern, jazz, and classical ballet.

The Spring Concert on April 14 included performances by The Chamber Choir and the Chorale. Each of the songs carried the spring theme.

How does a princess like Winnifred arrive at the castle? "I Swam the Moat," she declares. Can a princess such as this actually feel the pea placed under her mattress? Those in attendence May 2, 3 or 4 found out the answer. The Pierrettes production, "Once upon a Mattress" was a humorous, updated version of the story *The Princess and the Pea.* The "real" story is told by the Minstrel, an onlooker and participant.

The over-protected prince longs for a wife, while his mother (Brandi Jones) will not be satisfied with anyone. Thus begins the hilarious journey to allow the Prince, the Princess, and everyone else in the land a chance for a little lovin'.

Pierrettes spent many long hours and days practicing for what ultimately was a sold-out show.

bove, Princess Winnifred (Emily Jernigan) tries to decide on which dress to wear from those presented by the ladies-n-waiting (Anne McDonald, Katherine Ferrell, and Jennifer Reid).

Wimbledon Hopefuls

A group of dedicated Salem women spent their afternoons not studying or napping or hanging out, but out on the courts honing their tennis skills, and still having a lot of fun into the bargain.

This spring, the Salem tennis team played in fourteen matches. The competition was good, and Salem players gave it their best! Although rain took at least two matches away, the team was content as they tried to balance academics with tennis--not an easy endeavor. Coach McEwen had her hands full planning matches around each individual's schedule! However, it all came together well. Everyone supported and encouraged each other, and it showed in a great season.

The season was fun and everybody gave it their best shot! Way to go ladies!

BREAK OUT!

Salemites know how to have a good time during Spring Break.

Whether they are just going to the beach, or travelling the world, Salem students can definitely find fun things to do during Spring Break. With Break being so late into the year, students miss the crowds of other college students, but also get to enjoy warmer weather and a wider selection of places to stay.

Some students travelled Europe for the week, others travelled the North Carolina coast, and still others travelled to Male Housing to stay the week in order to attend their classes at Wake Forest.

We Are Women; Watch us Score

Soccer at Salem is on the rise! Two years ago the soccer team was forced to cancel the season due to lack of interest, but by popular demand, it is back with a vengance. The increasing interest has developed this past season as well. With new players and a new coach, Salem Soccer has a new image.

The season began the first week in February and lasted through the first week of May. After several weeks of conditioning and training, the soccer team was on the road to its first game against the club team at North Carolina State University. The team concluded its season at home with a game against the club team of Davidson College. Since most schools in Salem's division have their soccer seasons in the fall, Salem played in the North Carolina Amateur Women's Soccer League against club teams from various cities in the state and from larger schools.

There were many new players on the soccer field this spring. New athletes from every class joined last year's veterans to unify their skills and talents. Leading the team this year as captains were Sophomores Kelly Frost and Nora Rich. The team's new coach was Ron Brown. Previously a coach for high school girls' teams, Mr. Brown came to Salem with the hopes of developing soccer into a stronger, more competitive sport.

For all involved, the season was a long and arduous one filled with injuries and poor weather conditions; but it also consisted of new friendships and continuing interest in the soccer program.

No one ever said that college was all work and no play (but certainly don't let anyone tell you that it's all play and no work!!) The first year, students spend most of their time adjusting to both the new freedom and the new responsibilities. By their senior year most students have found a balance. Put some SPRING in your step

Spring Fling weekend is the last Male Overnight of the year, so many students take advantage of the good music, food, and lodging.

This year events were held April 19 and 20 by Big 3+3. On Friday, the band *Drifting Through* played in Bryant Hall for free admission, with lots of students from Wake Forest coming to enjoy both the band and the free beer.

On Saturday, a free buffet dinner was served while the band *Images* played beach music and Motown. Students shagged through the night.

Leap to Success

As she enters the field to compete, the rider hears her horse's hooves pound beneath her and the wind rushing in her ears. This year's equestrian team competed many times against other riders in the area. With lessons once a week and schooling shows on weekends, the team rode well this year.

In the schooling shows, each rider competed in different divisions. These divisions were made up of three classes of competition each, consisting of the walk, trot, and canter classes, and classes that competed in jumping over fences. Each division awarded a grand champion and reserve champion, and riders practiced beforehand. Many team members this year won ribbons, and some were champions in their divisions.

Team members are: co-captains Sharon Zimmerman and Emery Boyd, Heather Binkley, Kim Stoddard, Katie Clark, Diana Faulk, Yvonne Marsan, Kathryn Metcalf, Tara Lynch, Sarah Edmondson, DeDee Edmondson, Kathryn McCraw, Katy Cash, Jessica Dahlgren, Rebekah Bushey, Allison Dyer, Carrie Mobley, and Jocelyn Elliot.

A white blanket covered the campus and all roads were blocked to traffic. Luckily, it was during Jan Term, when students have the time to enjoy the snow. Sledding became the popular sport on Salem's campus and videos became the main form of entertainment. Salem women were able to grow closer together during this time.

Once the snow melted, students lost their cabin fever and some headed for the slopes and more fun in the snow. Many weekend trips were made to area colleges, such as Davidson, Carolina, and State.

Classes ranging from the ordinary to the extraordinary were offered for those who remained on campus. Students learned how to make fractal images, draw landscapes, be an effective leader, and practice acting skills. For those who had the travel bug, trips to Germany, England, France, Rome and Spain were offered. And, as always, students were encouraged to get internships relating to their majors or, in some cases, to nothing at all.

Top, Mary Beth Easley, Ruth Boyd, Toni Canache and Molly Lewis were prepared for an afternoon of fun in the snow.

Make it Stop Snowing!!!

Jan term is an exciting time for all students at Salem College. For students, it is a time to grow closer together, to travel, or to explore future careers through internships.

The only problem was "*The Blizzard of '96*", as the media liked to call the snow storm that took over most of the eastern half of the United States. For Salem students, classes were delayed, internships were difficult to reach, and - in the case of the *Arts in Europe* trip- flights were impossible to make. The group lost four days off of their trip due to the snow.

So then the snow finally melted, right? NO! It just got reincarnated as an ice storm at the *end* of Jan Term. This storm kept many students from returning to Spring semester classes on time.

So how come February temperatures reached highs in the 70's?

Naughty & Nice

Christmas at Salem officially began the first week of December as the seniors gathered together for the traditional candle trimming. The seniors deligently wrapped Moravian beeswax candles with red crepe trim, producing almost 700 candles. These candles were used at the Christmas concert and candlelight service, which featured the Chamber Choir and the Community Chorale directed by Dr. David Schildkret and accompanied by Dr. John Mitchener. Members from each class read passages relating to the Christmas story.

Afterwards, students gathered in the Refectory to enjoy the traditional candlelit dinner. After dinner, the Archways entertained students by choraling on the back porch of Main.

The final event of Salem's Christmas season occured the evening of Reading Day, before students retired to their rooms to study. SGA sponsored a bonfire with a special visit from Santa, with bags full of pre-finals candy canes.

SALEM TSUNAMI

Tidal Wave of Wins for the undefeated Swim Team

As soon as Fall Break had ended, Salem students gathered to discuss the upcoming swim team season and to meet the new coach. Coach Justine Reel is a recent graduate of UNCG grad school, and has coached for several other teams. And she was *very* prepared.

Swimmers started out swimming almost one mile at the first practice and by the end of the semester they had worked up to almost two miles. Justine, as everyone called her, implemented a new program of Saturday practices, stroke clinics and twice weekly weight training. This strategy obviously paid off for the team as they were **undefeated** in the season.

Coach McEwen said that this was the first time in her memory that a Salem team had gone undefeated. The team swam in five meets, against Pfeiffer, Greensboro College, Hollins, Warren-Wilson, and Randolph-Macon.

Another new activity for the team was Secret Swim Sisters. Each swimmer would secretly buy small gifts, like candy or decorated glasses, for her sister and at the end of the season they had a party to reveal their identities.

Changes in Latitudes

Changes in Attitudes

Living in a dorm is a change in attitude for everyone. Whether they were an only child or one of many, everyone has to learn to adjust to dorm life. For Freshmen, its especially hard because it is the first time for most to live in such close quarters with so many other people. For Upperclassmen, it's also difficult to adjust to the dorm after a summer away.

Living with people who are completely different than one's self forces a student to readjust her expectations of both others and of herself. In so many ways, Salem students start to feel, and act, like family members - complete with both petty arguments and wonderful times.

LATE TO BED. . . BUT EARLY TO RISE

In the wee hours of November 29, the sophomore class hurried to make last minute adjustments to move an almost rained-out Sophomore Surprise for the square to Babcock's dry basement. Around 4:30 am the Sophomores had assembled and were ready to wake their Freshmen sisters for an early morning revelry as the class of '97 had done to them the previous year.

The sophomores and their noisemakers made the rounds through the Freshmen dorms bringing their willing sisters to a twisted obstacle course including Face Painting, a Treasure Chest, and an embellished game of Twister.

After the activities in Babcock basement, both classes had the opportunity to freshen up before a catered breakfast hosted by the Sophomores. Sophomore class president, Joran Alspaugh presented Freshman class president Helen Schlabs with a Sophomore Surprise Spirit Stick and the sophomore class gave every freshman a glass and flowers as favors for their participation.

Although everything did not go as planned, it was still a chance for the two classes to have fun together and to keep alive another of Salem's traditions.

Thanks & No Thanks

Thanksgiving and Halloween couldn't have come at a better time during the fall semester. The break for Thanksgiving gave students a chance to go home and visit with family, or to just relax from the semester's studies. Before the break, the Refectory hosted a traditional Thanksgiving meal, with the faculty carving the turkey.

Halloween, on the other hand, let students bust out and be someone (or some thing, as the case may be) different and exciting for an evening. The Refectory, again, hosted a special meal with imaginative decorations and food (spaghetti brains and red mashed potatoes, for instance). This was followed by a costume contest for a cash prize. The winners were from the Peterbilt truck company. But the festivities didn't stop there; there was also a pumpkin carving contest pitting dorm against dorm.

Places, Everyone

Salem College's drama workshop has been full of excitement this fall. The year began with the play "Shooting Stars," by Molly Newman, and was directed by our new drama teacher, Kerry Lawson. The play told the story of a girls' basketball team and their manager. The question--would they have to continue their comic stunts, or could they win on real ability? Five and a half weeks of rehearsal proved to have been well worth it--"Shooting Stars" was a great success. The performances were held the weekend of October 6th, with special open rehearsals during Parents' Weekend.

Before first semester exams, several one act plays, directed by Jeni McCoy and Diane Palmieri, were performed. Topics ranged from spousal abuse to breast cancer. The drama department and Pierrettes deserve a round of applause for a season well done.

Taking a Break: 'Cause I Sure Need One!

Salem students enjoyed their first extended weekend of the semester during Fall Break. From October 13 through 17, students were released from the bondages of tests, homework, and classes for a few days of R & R, rest and recuperation.

While many students took this opportunity to return home to see family and friends and to savor home cooked meals, there were some Salemites who used Fall Break as chance to make an extended road trip before the crunch of research papers and final exams. For everyone though, it was a much needed break from a very busy semester.

We Are Family

Parents and families of Salem students were invited on campus during the weekend of September 29 through October first to visit their daughters and to tour the campus.

Parents weekend officially began Friday evening with the Refectory serving a specially prepared buffet-style dinner. Also, Friday evening Omicron Delta Kappa held its annual induction ceremony in the Commons Lounge. The remainder of the weekend, families toured the campus, Old Salem, and, in some cases, Hanes Mall. Various faculty members offered mini-classes on specialized topics for the benefit of the parents on Saturday afternoon. The weekend concluded with brunch in the refectory followed by a field hockey game against Washington and Lee University.

Walk Softly . . .

August 21st the Field Hockey team came to Salem to practice, get in shape, and learn to work together. Expecting almost twenty members, the coach, Dennis Brown was surprised to find that only 11 members showed up. Even so, the team played three great games against Mary Baldwin, Virginia Tech, and Washington and Lee. Team captains were Amalie O'Connor and Erika Nelson. The first time goalie was Dee Dee Edmondson.

The first two games were played on a weekend trip to Virginia. Except for a slight concussion ("I totally head-butted this girl and she had the hardest head" stated Amalie O'Connor), the injuries for the semester were mild.

The team decided to print up T-shirts which read "Walk Softly and Carry a Big Stick." Although only team members got a shirt, they were very popular on campus.

Members included: Teddy Weathersbee, Marisa Berdeja, Alaina Geisbrecht, Meredith Tuttle, Peaches Van Every, Amalie O'Connor, Holly Waddel, Erika Nelson, Joy Turpin, DeeDee Edmondson, and Melissa McGuire.

And Carry a Big Stick!

Old Fashioned Fun . . .

It's often referred to as the greatest holiday of the year, at least on Salem's campus. Fall Fest is the one Wednesday of every year when classes are cancelled and fun is the order of the day.

The theme was *Salem Through the Centuries* and each class represented a particular decade. The Seniors had first pick and chose a little of two decades - 1965 to 1975; the Juniors chose the 1920's; the Sophomores picked the 1940's; and the Freshmen did a great job of representing Salem during the 80's.

Each class dressed in clothing representing their chosen decade and paraded across the soccer fields, hoping to impress the judges, which included President Thrift, Dean Oyelaron, Coach McEwen, and Debbie Harrell. Other activities of the day included breakfast, the Games, and a picnic in the Square.

Above, Dansalems performed for students in the center of the Square during the picnic lunch.

Far right, Amalie O'Connor and Maggie Crowell get caught up in the fun of the Games, which pitted all four classes against each other with three-legged races, doughnut eating contests, caterpillar contests and water balloon tosses.

Left, The Senior class put on bell-bottoms, platform shoes and hippy dresses in order to begin protesting everything and any thing: More male visitation, alcohol on campus, and The War.
Below, The Juniors were the picture of innocence as they campaigned for women's suffrage and prohibition.

Left, It didn't take the Freshman class long to discover what Fall Fest is all about - enthusiasm and sisterhood.

With a *Twist*

Each activity during Fall Fest is greeted with enthusiam and excitement, but nothing is more anticipated than the Skits. These skits are sometimes planned out for days before the actual event. In the past, classes would have little time to plan skits, sometimes only the hour between decorating the Refectory and the Show. But this year the Refectory was decorated the night before with spectacular results and the classes planned and practiced with equally spectacular results.

With the theme of Salem Through the Centuries, students not only had a great time at Fall Fest, but also learned more about Salem's history than ever before.

Over the River, and Through the Woods

The Cross Country Team has been there, done that.

Although it is a short season, only five weeks, the Cross Country team packed a lot of effort and quite a few miles into their days. The team would practice at Reynolda, Salem Lake, Winston-Salem State and around Salem's campus, going up hills and down trails to gradually increase their endurance and decrease their times.

"The most important thing is to improve your time over the season rather than to win every race. But we do want to be competitive," stated Merideth Waltzek, co-captain of the team.

The Cross Country team participated in five meets: Bennett College, where they won a First place trophy; Winston-Salem State, Greensboro Invitational, Livingstone College, and Lenoir Rhyne College. The Greensboro Invitational was the most competitive, as the team competed against scholarship runners and area athletes. The Livingstone College meet resulted in the best times of the season, amazing the members as they found out their scores. "I would tell them their scores, and they'd say 'No Way! Are you sure?' said Emily Todd." The last meet was unfortunately the toughest, as the trail was muddy to the point of being an obstacle course.

Team co-captains were Marlene Aguirre and Merideth Waltzek.

We Jammin'?

PJAMMIN!

Is this a slumber party? No Way! These people are here to dance the night away, not to sleep! The dance was actually a Pajama Jam, sponsored by CAC. The first male overnight weekend of the year, a number of Salem students and dates and students from other schools came to listen and dance to DJ Tommy G.

CAC Co-chairs, CrisSonia Winfree and Toya Claiborne worked hard so that everyone could take it easy, even if that meant putting on slippers and nighties. Although the dress was for slumber, the dancers were wide awake for a night of pajamas and music.

hrisSonia Winfree: Sophomore "Having a Big Sister has been a wonderful experience. My big sis, iffany Matthews, gave me the ins and outs of Salem; you know those things most people don't tell ou. I could talk to her and tell her things and know I would get sound advice."

eigh Ann Miller: Junior "Though I am not exceptionally close to either of my little sisters, I do y to speak to them as often as possible. They are special to me as are my other Salem Sisters."

Stand TALL

Stand STRONG

"This is the best team we've had in years," Coach Ellen McEwen told her team during practice one day. With a team of almost twenty players , the new no-cut policy has started to pay off. The new policy separates players into the travelling team and the home team. More than half of the games were away tournaments.

The games are always fast paced and fun, which sometimes resulted in taped ankles and bruises. But it is the high intensity and fun that attract people to the sport. During one tournament, Brandy Nelson tried to duck to miss a ball and instead it ended up bouncing off of her head. Although everyone was laughing, Amy Stroupe played it anyway. It is integrity and attitude like this that have helped this team get to where they are today. Members included: Jennifer Dailey, Hope Turpin, Brandy Nelson, Erin Doherty, Amy Stroupe, Seabrook Cassels, Kim Gay, Barbara Williams, Joy Jones, Selena Lowe, and Kim Caver.

open Season

For the first couple of days out of every year, Salem looks rather like a construction site. First SGA, hall advisers and house councils move all their stuff in. Then come the freshmen; and in between orientation activities, they manage to get everything out of the car and into the dorm. Then, a couple of days later, here comes the rest of the student body, with even more stuff. The refectory fills up with new faces and old ones, and before we know it, it's time to put on dresses, caps, gowns, and shoes, and watch the faculty file into Hanes for Opening Convocation. The 224th school year has officially begun...

getting oriented

Orientation, as always, was a big event for freshmen. With moving into their new rooms, an unfamiliar city, and a new roommate, perhaps for the first time ever, many couldn't help being stressed out. From the moment mom and dad waved goodbye and drove away, the new students had to hit the ground running. To help take a load off (?), many orientation activities were planned. Registering for classes, eating in the refectory for the first time, and meeting peer advisors were just a few of the moments of orientation that freshmen will never forget.

Hall advisers organized "getting-to-know-you" games and hall bonding activities; everyone took placement tests, bought books, unpacked, arranged, and rearranged; there were dorm meetings, hall meetings, class meetings, College 100 meetings, and after that, more meetings; and freshmen and transfers alike were introduced to life at Salem (lots of meetings!).

Above, There were many special activities set aside for freshmen the week of orientation. One of the least favored, but perhaps most needed, was the **long** hall meeting. *Right,* Orientation was a success, thanks to many helpful Peer Advisers. Betsy Copps gets a hug from her helpful roommate, Angela Burbage.

Below, Besides exams, orientation was perhaps one of the most hectic events of the year. Frem members Anne Dunn and Jennifer Jolly, along with Dean Farris, take a moment out of their busy mornings. *Left*, Excited about school, Erin Baker and Sally Lockard breathe a sigh of relief after moving in and getting ready for orientation activities.

Salem Women's Leadership Connection was begun in the spring of 1993. Rising sophomores with good leadership skills and potential were chosen to take part in the brand new organization. These students were paired with a mentor in the career of their choice.

Each year, a new group of SWLC-ers are chosen, with each group working on the project of its choice. The seniors chose to visit College 100 classes to discuss the many sides of current issues. The juniors chose to do some ongoing, indepth, research about Salem's history and students. The sophomore's had just met their mentors and spent much of their time shadowing them at work. And the freshmen have three more years to choose a project.

Committees

Below, The **April Arts** committee coordinated and promoted a series of cultural events throughout the month of April, ranging from music and dance performances to art shows and poetry readings. Other activities included theater, cinema, photography, crafts and literature. Amanda Carver and Caroline McLean took charge of April Arts and gave us a very enjoyable and enlightening month of activity.

The **Orientation Committee** is in charge of planning activities and scheduling for freshman orientation each fall. Members this year were Dianne Conley, Mischa Gipson, Shazia Hoosein, Leigh Ann Miller, Emily Todd, Tonya Cash, Peaches Van Every, and Hester Meachum.

The **Textbook Advisory Committee** serves as a liaison between students, faculty, administration, and the bookstore. The committee helps facilitate communication regarding the ordering, buying, and sellback of textbooks for student use. Members are Dean Wilson-Oyelaran, Tom Macon, Dean Pendleton, Dr. Pat Miller, Dr. Steve Nohlgren, Ms. Martha Giles, Brenda Battle, Margaret Pettit, Oyinda Oyelaran, Sungi Thrikawala, Academy students Griffin Rankin, Nikki Baldwin, and Emi Beltran, and Ms. Genell Hartman, the bookstore manager.

The **Library Committee** serves as a liaison between the College community and the library. The committee studies the needs of the library in relation to the academic programs, and advises the director of libraries about general policy, resource deveopment for research and instruction, and integration of library programs with other college programs. It also approves allocations of materials. Members include Dr. Rose Simon, Dean Wilson-Oyelaran, President Thrift, Dr. Ljungquist, Dr. Pat Miller, Dr. Nohlgren, Ms. Varnadoe, Sungi Thrikawala, and Bonnie Laney.

The **Admissions Committee** formulate policies regarding the admission of students to Salem. The members of the committee, including a senior student, also evaluate applicant credentials and decide on individual applications. Members include Katherine Knapp Watts, Dean Pendleton, Dr. Partin, Dr. Ljungquist, Ms. Jacobowsky, Coach McEwen, and Dianne Conley.

Committees

The **Academic Council** represents the faculty in matters of general academic policy at Salem. The subcommittee, Academic Appeals, considers student petitions for exceptions to academic policy, and also student requests for self-designed majors. The Council also prepares the agenda for monthly faculty meetings and considers all proposed changes in academic policy. Members of Academic Council include President Thrift, Dean Wilson-Oyelaran, Dr. Trask, Dr. Cardwell, Ms. Griffin, Dr. Sun, Dr. Pubantz, Dr. Cox, Dr. Schildkret, Dr. Young, Susie Brock, Amy Ladner, Hilary Bogard, Ashley Christine Walters, Kelly Colombo; Academic Appeals: Registrar Joyce Jackson, Dr. Cardwell, Dr. Pubantz, and Dr. Trask.

The **Food Committee** is the liaison between the students and the Refectory. According to the handbook, the committee works actively with both the students and the food service to bring about changer in the food served at Salem. The committee also plans special meals for holidays and other festivities on campus. The student members of the committee meet and discuss the meals, as well as complaints and changes suggested by students. Special meals such as Thanksgiving and Christmas dinners and the Mardi Gras dinner are also part of the Committee's responsibility. Members of the Food Committee are Jenny Crescenzo, Julie Anderson, Dawn Webb, Chiun Ng, and Carmen Richardson.

The **Exam Committee** co-chairs organize the process of our self-scheduled exams. They recruit faculty and student proctors for all exam periods, notify students of exam policy, remind us of the Honor Code and the privilege that it is to take our exams in this manner, collect exams from professors, and keep the key to the exam room in Main Hall. Their jobs are vital to the survival of the exam system for which we are all eternally grateful. The chairs (usually juniors) take their positions before spring exams and hold them through the fall and until new co-chairs are selected. This year's chairs were Stacey Sharpe and Susie Brock, who took time out of their busy exam schedule to help Anderson Carden fill exam bags for a senior class fundraiser.

Committees

Right, The **Fall Fest Committee** is in charge of planning our activities for, yes, you guessed it, Fall Fest. Class representatives are elected, and they work hard to create a theme and a plan of action which will turn into the fun day in September we all enjoy. This year the committee worked with the alumnae to incorporate Salem traditions and memories from years past into our typical skits, games, entrances, songs, costumes, and decorations. It was a great way to relive the past and connect it with the present, while enjoying the things about Salem which don't change--the spirit of fun and cooperation and friendly competition Fall Fest offers. Members of the Fall Fest Committee include chair Catherine Wolfe, Tyler Harris, Monika White, and Christal West.

The **January Program Committee** is responsible for the administration of Jan Term. They issue the goals for Jan Term each year, as well as the number and type of courses to be offered; and offer suggestions about faculty, resources, registration, public information about Jan Term, and the success of the previous Jan Term. The committee also assists in the coordination planning, and evaluation of departmental, program, and individual internships. Members of the committee include Dean Wilson-Oyelaran, Dean Farris, Dr. Baker, Dr. Oczkowicz, Dr. Mowbray, Ms. Graham, Molly Harbin, and Courtney Jones.

The **Lectures Committee** is responsible for the development of the schedule of lectures for the year, the planning of a symposium to be held at least every two years, the securing of a Scholar-In-Residence for the year, the overseeing of Founders' Day events, the administration of funding previously available to Salem Union in an appropriate manner, and the administration of other funding provided for its services. The members of the Lectures Committee include Nan Tilley, Judy Line, Dr. Jay Pendleton, Rachel Barron, Misti Dinan, Dr. Caroline McAlister, Barbara Lister-Sink, Dr. Craig Miller, Dr. Robin Smith, Stacey Summitt, Angela Burbage, Diane Palmieri, Beth Newberry, Carla Gregg, and Janice Craig.

The **Appeals Board** handles any appeal made by a student on the issue of a penalty issued in an Interdorm or Honor Council case. Members of the Board include Dean Wilson-Oyelaran, Kris Porazzi, Samanthi Gunawardena, Selah Brake, Lara Owensby, Dr. Craig Atwood, and Coach Ellen McEwen.

The **Curriculum Committee** considers proposals for new courses, deletions of old courses, and changes involving existing courses. They also consider changes in policy or degree requirements. Members of the Committee include Dean Wilson-Oyelaran, Dr. Rose Simon, Dr. Clauss, Mr. Stiener, Dr. Borwick, Dr. McKnight, Dr. Pat Miller, Dr. Zehr, Dr. Hutton, Dr. Nohlgren, Stacey Sharpe, Amy Congdon, Royzetta Dotson, and Mardi Salkeld.

With Honors . . .

Honor Societies have existed since the time of Plato, although now they hold even more significance for students. Salem has ten different honor organizations, som for overall excellence and achievement, others for specific achievement within their majors, and one particular society is secretive about all of their activities.

As a freshman, students can be selected to join *Alpha Lamda Delta* (ΑΛΔ) for intelligent living and a high standard of learning. Members are pictured on page172.

Juniors and seniors may be selected to join *Omicron Delta Kappa* (ΟΔΚ), a national honor organization for campus and community leadership activities, community participation, and scholastic achievement. Members are pictured on page 154.

Another senior honor society is *The Honor Society*. This group includes students dedicated to academic achievement, and requires its members to hold an grade point average of 3.6 or more. Members graduated with College Honors. They were: Meri Bryant, Margaret Pettit, Mona Wu, Kris Porazzi, and Huey Ng.

As seniors, students may be tapped for membership to *Mortar Board* , a national honor society made up of students dedicated to achievement in scholarship, leadership, and service. Members are pictured on page 156.

Phi Alpha Theta (ΦΑΘ) is an international honor society recognizing outstanding achievement in History. Members are: Marisa Berdeja, Gretchen Brandies, Melissa Colburn, Sharee Fowler, Anna Gallimore, Molly Harbin, Elizabeth Haverkamp, Quincy Howell, Julie Mastin, Melissa McGuire, Roberta Moberg, Loretta Muss, and Cynthia Tuten.

Phi Sigma Iota (ΦΣΙ) is a national honor society for high standards in foreign languages. Members were Shawnda Adams, Ginger Ballard, Suzie Brock, Meri Bryant, Tonya Cash, Angel Downing, Alaina Giesbrecht, Celeste Handy, Brandi Jones, Melissa McGuire, Jennifer Stiener, and Tammy Williams.

Pi Gamma Mu (ΠΓΜ) is an international social science honor society. Students from the top third of their class with work in history, political science, economics, psychology, or sociology are tapped during their junior or senior year.

Beta Beta Beta (βββ) is a national biological honor organization devoted to the stimulation of scholarship, dissemination of scientific knowledge, and a promotio of biological research. Members are pictured on page 168.

The Order of the Scorpion i

a secret organization devoted to promoting the true spirit and ideals of Salem. Juniors and seniors perform services and small projects with no desire for reward or recognition. Seniors reveal themselves at Graduation by wearing a small scorpion pin on their collars. Members are pictured on page 146.

Sledding down the slopes behind the Refectory is an adventure, especially with all of those trees to avoid, but once at the bottom Natalie Plank could not stop smiling.

Mortar Board visited the Best Choice Center of Winston-Salem before Thanksgiving to teach a few songs and play a few games. The real question is: Who is having more fun? Gretchen Williams, Dianne Conley, and Margaret Pettit, or the kids themselves?

Who ever said you have to be a Sophomore or a Senior to have fun at Soph-Senior? If it is true, Juniors, Angie Downing, Nancy Jane Kester, Lee Ann Kennedy, Kim Gay, Jeanie Poe, Betsy Wimer, and Caroline Bunn didn't listen to them.

Hippy chicks on the Square, Caroline McLean, Emery Boyd, Melissa Colburn, Anna Parks, Holly Barnes, and Amanda Carver relived the sixties and seventies for Fall Fest.

Just two more days before graduation and Julie Rainey appears to be holding up just fine. She is waiting in line for the Baccalaureate Ceremony.

Right, Planet Hollywood was full of stars (or at least their pictures) when Malissa McKay, Alix Sankowski, Alicia Morgan, and Leigh Ann Miller visited the restaurant.

Below, Getting ready to go out almost always involves a camera, especially for Salemites Kara Wingo, Jaime Smith, Susan Day, and Jenny Hartman

Above right, Merideth Waltzek marvels at the body of the over-forty year old Sting printed inside his new CD.

Right, Toni Canache does her own impersonation of a cowboy.

Above, She's packed and ready to go! Keesa Schreane tells her friends goodbye.

Below, Erin Baker helps Brandi Jones to safety pin her bustle for the play *Once Upon a Mattress.*

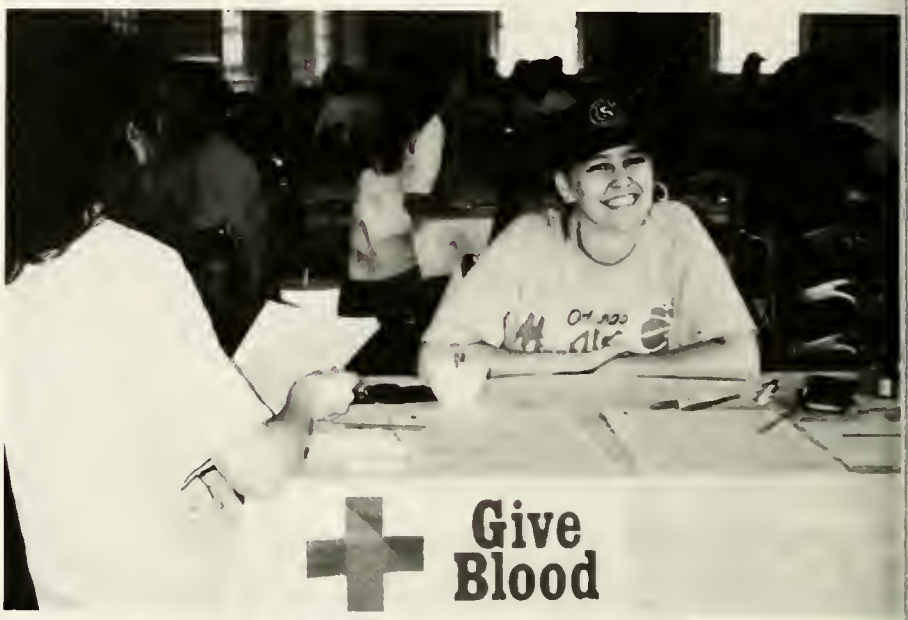
Below, It's ten o'clock. Do you know where the party is? Michelle Willabus, Oyinda Oyelaran, and Genene Chaskley find it at the Fall Lawn Party.

Left, Opening Convocation is, for many, the first time they've seen some friends since Spring. Erin Britton, Jane Hudson, Holly Hoyle, Ralphael Green and Chairidy Puckett enjoy the reunion.

Left, Late for class? Jennifer Norvell hurries to put on her socks.

Right, Gretchen Williams tries to intice students to donate blood for the Mortar Board Blood Drive.

Below, Beth Mabe enjoys the adoration of her little sisters, Jennifer Black and Brandy Hall.



Above, The Birthday Queen, May Lynn Aviles was crowned by her friends, Deena Patel, Sandra Rivera, Erika Madden, Kawana Melvin.

Left, Moving out, Beth Gantz drags a couch towards the door, while her friend opens it.

Below, Carolyn Francis, Stacey Sharpe and Marisa Berdeja are excited about another Dansalems program.

Above, Kim Lo chats on the phone with friends.

Left, Trying to get the grill started, Erica Humphrey and Kim Stoddard beg for matches.

Right, Taking a break from their travels in Europe, Shannon James, Jennifer Medley, Maggie Crowell and Catherine Clark sit down to rest.

Above, Babysitting for five kids can be difficult, but Mindy Nguyen knows how to handle them.

Above, Two generations of third floor Babcock got together to raise Cain using water guns and laughter. Pictured are: Deena Patel, Tonya Cash, Carla Gregg, Neely Lambert, Erika Madden, Mosako Yokota, Katie Humphrey, Corey Ash, Alaina Geisbrecht, Andi Nantz, Amalie O'Connor, and Fran Gore.

Below, Sophomores get together to practice their Fall Fest skits: Katie Humphrey, Jordan Alspaugh, Theresa Kanter, Shannon James, Amy Stroupe, and Erika Nelson.

Above, Audra Valentine and Alix Sankowski, Gramley girls from '92-'93, got together with others to eat and enjoy each others company.

Left, Lucia Uldrick and Anna Alexander hang out together.

Editors' Note:

First of all, Thank Goodness it is over and done with! The pride and sense of accomplishment you get from completing a yearbook are nice things to have, but even more nice would be a full night's sleep, more comfortable chairs, and some time spent outside in the sun and the air.

Anyway, the Editors would like to thank: Our roommates, Elizabeth Haverkamp and Kris Porazzi, for putting up with this for a second year; Our staff: Theresa Kanter, Jennifer Medley, Ruth Boyd, Samanthi Gunawardena, Thi Nguyen, Jennifer Reid, Celeste Handy, Caroline Lester, Suzie Brock, and Laura Beth Turner; Our mothers, Renee Adams and Carol Cowley for helping with the last big deadline, and Jenny Stokes, Brandy Nelson, Kerri Lawson, Anna Mansfield, Publications Board, and everyone who donated a photo - We appreciate your help! Hope you like it, Shawnda Adams & Katrina Cowley

BOOK SPECIFICATIONS: The seventy-fourth volume of the Salem College *Sights & Insights* was printed by the Delmar Publishing Company in Charlotte, NC, through representative Elizabeth Motsinger Wearn. The editors-in-chief are responsible for the final content of the book. Two-hundred-fifty-six pages in length, the 1996 *Sights & Insights* has a trim size of seven and three-quarters inches by ten and one-half inch and a press run of 405 books. The cover material is Satin Wine with Gold Foil stamping. The endsheets are Graphika Vellum Wheat with PMS 194 spot color. The book was printed on 80 lb. glossy paper, and was Smyth Sewn. All pages were designed on a Macintosh Performa 636CD using the application, Aldus PageMaker 5.0. All pages were submitted to the plant using 3.5 inch DS, HD floppy disks.

PHOTOGRAHY: Individual student portraits were taken by Lifetouch National School Studios, except select photos by James Mansfield on pages 88 and 92. Candid photos were either submitted to the yearbook staff by the student population, or taken by the staff itself, except for select photos by James Mansfield on pages 42,43, and 196.

ADVERTISEMENTS: Advertisements were sold by the staff to parents of students.

All correspondance can be mailed to the *Sights & Insights* Yearbook, Salem College, 601 South Church Street, Winston-Salem, NC 27101. The Publications Office is located in the basement of Clewell Dormitory; the phone number is (910) 917-5317. Copies of the book are included in the Student Activity Fee payed by all traditional students for the Student Government Association Budget, from which *Sights & Insights*' collects $49.50 per student. Others wishing to purchase a book should contact the Business Editor.

Below. Covered in shaving cream and ready to spray more, all Caroline Bunn, Jeanne Downs, and Jeannie Poe need now is a few razors.

Above, During an IV outing, Margaret Pettit, Audey Morgan, Amy Regrut, Kris Porazzi, Megumi Katayama, and Katrina Cowley stop for a snack break.

Above right, Semiformal was fun for Courtney Bannister, Anne Mar Liles, and Myra Gooden

Below right, Snow was an impediment to movement during Jan Term, but students were still able to get out and about.

Left, Julie Rainey and Gretchen Williams sing songs to their sister class, the sophomores.

Far Left, Stacey Sharpe and Margaret Pettit managed to stay clean during Fall Fest.

Above, During the Fall Lawn Party, Amanda Romano, Kathyrn Stonebraker, and Cheryl Tuttle hang out and watch for cute guys.

Above Left, Seabrook Cassels and Paige Clendinin shared a date for formal, and I don't think that he minded one bit.

Left, At the pool hall, Emery Boyd, Holly Stierwalt, and their dates wait for a chance to play.

We spend much of our lives trying to make *sense* of the world around us. We come to college thinking we know what to expect, only to find that the world is bigger, the sky higher, books more numerous, grass greener, and other people more different than us, and yet more like us than we eve thought they could be.

We come to Salem seeking many things -- friendship, a good time, an adventure, a job, a date or two; perhaps even knowledge. Sometimes we leave more unfocused than when we arrived -- but only because our eyes have been opened, our *senses* sharpened, our horizons broadened.

We leave without always knowing quite where we are going, but knowing that we are prepared fo whatever comes next -- and we are able to make *sense* of it.
